

Rental set 1: fixed length 11 cm

002.1641 Rental set 1, fixed length 13 cm for Trigger clamp, excl. bracket

Our rental mounts make it quick and easy to install projectors in rental situations. With quarter-turn latches the projector is mounted onto the bracket in no time. However, the projector should be fitted with a universal rental bracket or projector specific bracket. Our tube sets are electrically insulated so that the truss does not require tape to prevent screen problems. The ball joint can easily be adjusted using the special rental ring. The tube set is fitted with lifting eyes for safety attachments.

Rental set 1: fixed length 11 cm
